You're the guitarist, right?
I wonder what kind of instruments you need to form a band.
はじめてのバンドスコア

I said that I'll just be a manager, didn't I!?
Oh, I got it! Arisa, which do you want?
The rest will be the bass and the drums, I guess.

Well, you should practice with that band score for now since you brought it all the way here anyway.

I want someone to teach me~
I knew it'd be like this...
Textbooks make me sleepy~

Let's experience the sparkling and heart throbbing moments together!

I'll feel at ease if someone with experience joined us! Please!

But when I touched the guitar my heart throbbed and sparkled!

Geez!

I've told you to stop saying such abstract things.

Sparkling?

I'm the only one who doesn't understand!?

Really!?

I somehow understand it...

When I heard my sister's live band

I also felt that...

cheering

It's not like that.

But she's really good with the guitar and bass

Your sister's band?

Is she famous?

Though I could only play bass a little...

It's okay!

That's not something you should say with confidence!

YES!

I can also play just a little!

Not at all!

Okay, then, like this!

GLOOM

But I'll be a burden even if I join...

Hey! Stop bribing people!

Today's snack is this!

If you join our band, you'll also get some snacks!

She makes such a nice face!

I'll do my best too!

I've never played it before! Not possible!

Arisa will play the drums,I guess!

With Rimirin on the bass...

Wait! Don't just suddenly decide for me!

What about maracas?

Ah! That'd be cute!

What about the tambourine?

I know! How about doing a performance?

Don't drag my kid into this!

That's rough!
